

Corona Virus Update

Temporary Closure

Following the recommendations of the CDC, the AOA, and Jackson County's "Shelter at home" for 30 days directive, we have decided to temporarily postpone routine eye care services. As of now, our plan is to reopen April 27th, but of course this could change based on the current conditions and health recommendations at the time.

If you are experiencing any eye problems, please call or text

Doctor Lally at

816-674-2032

For any other needs, you may leave a message by calling or texting

816-419-8798.

You can also contact us by email at lallyvisioncare@gmail.com.

We know this can be a great inconvenience, but we also believe in protecting the health of our staff and communities and will do our part to prevent the spread of COVID-19.
